ACHIEVING EXCELLENCE TOGETHER

February 2019

Dear Parents/carers

On Friday 1st March 2019 we are holding our first 'whole school Careers Fair' as part of our contribution to 'National careers Week'. This is a unique opportunity to open the eyes and minds of your son/daughter to career possibilities and to give them a sense of hope for a better future.

Students will have the chance to meet representatives from various sixth form colleges, apprenticeship/training providers, universities as well as a wide range of employers. Please find the list of attendees over the page.

We are asking students to complete research homework about our exhibitors prior to the event, and then on the day they will have a 'Passport to my future' to complete as they meet the representatives face to face.

We very much hope each individual will take advantage of this opportunity to explore an exciting range of career pathways and so start those conversations at home and in school to help them become career ready.

If you wish to discuss this further, please don't hesitate to contact me.

Yours Sincerely,

Mrs L Rothwell
Assistant Headteacher

CANSFIELD
ACHIEVING EXCELLENCE TOGETHER

Careers Day

Friday 1st March 2019

Your task will be to visit a college, an apprenticeship/training provider,
a university and an employer.

You will ask them about

where they are based and they type of courses, qualifications or jobs they offer.

In preparation for this, using the list of providers on the back that we have

attending on the day, you are to research one in each section so you have
some knowledge of them before you meet them

You will complete a passport booklet and receive a sticker from
who you chose to visit as evidence of your encounter.

You should then take your passport to your form room
and place it in your blue folder with your career action plan.

We hope you enjoy this experience and find it helpful to your
future career planning.

If you have any questions, please see Mr Darbyshire or Mrs Rothwell
