Dear Parent / Carer

GCSE SUMMER 2019 EXAMS – CONTINGENCY DAY

WEDNESDAY 26TH JUNE 2019

The summer 2019 examinations may seem a little while off yet, however there is some important information that we need to share with you to avoid any possible issues this summer.

For the first time ever, an exam contingency day has been arranged by the exam boards which needs to be added to individual student timetables. The contingency day has been arranged for ***“GCSE and/or GCE examinations, should sustained national or local disruption arise during the 2019 examination series”***

The date for the contingency day has been set aside for **Wednesday 26th June 2019**. With this in mind, could I please encourage all parents and carers to make a note of the exam reserve date. We completely understand that it is common for families to book holidays in June, however it would be devastating for a student to miss out on a good grade after working so hard for two years should they be absent from a rearranged final exam.

I trust this makes sense, but if you need any further information or have any queries about the above, please do not hesitate to contact me on the email address below:

Yours faithfully
