ACHIEVING EXCELLENCE TOGETHER

March 2019

Dear Parent/Carers

As part of the National Careers and Apprenticeship week 4<sup>th</sup>-8<sup>th</sup> March 2019, we held an amazing Careers Fair last Friday. We had over 40 exhibitors who all complimented our students on their manners, behaviour and application to the tasks set. I hope this initiated conversations at home about 'planning for the future'. This week, all students have participated in a number of activities during form time. On Monday they reviewed the careers fair, Tuesday they looked at a whole range of jobs involved in the construction industry, ranging from a plant operator to a quantity surveyor to a project manager. On Wednesday they looked at labour market information and today they will be completing a quiz about apprenticeships.

If you would like to learn more about Apprenticeships, I recommend a 'Parents Pack' which was published in February in preparation for National Apprenticeship week. This includes exciting new apprenticeship standards, interviews with apprenticeships as well as higher and degree apprenticeship vacancy listings.

You will find this on <https://amazingapprenticeships.com/app/uploads/2019/02/Parent-Pack-February.pdf>

I do hope you find this useful and if you require any further information regarding careers please don't hesitate to contact me.

Yours faithfully

Mrs L Rothwell  
Assistant Headteacher

Headteacher: [Dr G Baker](#)
