

CANSFIELD

ACHIEVING EXCELLENCE TOGETHER

Dear Parent or Guardian

With only six school weeks left until public examinations begin I am delighted to offer a vast amount of revision sessions, spanning over all subject areas during the Easter holidays. The timetable is attached to this letter and is available on our school website.

I would like to stress the importance of students taking advantage of these opportunities, and your support with attendance at these sessions will be crucial and greatly appreciated. Should your son/daughter notice any clashes with subjects, they should prioritise subjects where they require more support, or may wish to split the time equally between subjects.

On arrival students are to enter school via the leisure entrance by the main visitor door and will be greeted by a member of staff. Students may wish to bring their lunch with them, particularly when sessions run throughout the day.

I would like to take this opportunity to once again thank you for your continued support in our shared pursuit of your child reaching their full potential at Cansfield, and I wish them every success in the forthcoming exams. If you have any queries please feel free to contact school.

Yours truly,

L Shoreman
