

CANSFIELD

ACHIEVING EXCELLENCE TOGETHER

10th September 2021

Dear our Year 11, Class of 2020

Firstly, we would like to say how proud we all are of all of our Year 11 students. As we explained to you on the day, all the grades that were given out were arrived at through a rigorous process and they were all fully deserved. I know we have said this many times, but you were a wonderful year group who demonstrated amazing resilience, a positive attitude and dedication throughout what was a turbulent Key Stage 4 journey.

As we explained on Results Day, if you are unhappy with any of your GCSE grades then you have the option to sit exams for those subjects in November. The exams will be held at school starting in November. Miss Archer and Mr Lomas will be overseeing this process and if you would like to complete an exam in any subject then please email our resit email (resit@cansfield.wigan.sch.uk) to confirm which subjects you would like to sit **no later than 1pm on Monday 20th September**. Once your entry has been processed you will receive a date and time to sit the exam, which we will ensure is held in a manner that is in accordance with our health and safety processes. If you are unsure as to whether you wish to sit an exam, please get in touch with either Mr Lomas or I and we will be happy to talk it through with you. It is worth noting that this will be a full examination series meaning all the course content will be assessed with no adaptations made. This means there may be some content on the papers that students did not cover during their KS4 journey with us. This discussion has been made by the awarding body and unfortunately out of our control. We have been made aware that some colleges are currently offering for students to resit examinations within their centre for the Autumn examination series. If you choose to sit these examinations with your college this is perfectly fine please liaise with them.

Please see below for all resit dates along with the awarding body associated.
