ACHIEVING EXCELLENCE TOGETHER

10th September 2021

Dear Parent / Carer,

I would like to take this opportunity to say 'welcome back' to a new school year and more importantly to your child's SENIOR YEAR.

Although it may seem a long way off currently, your child is well underway with their preparations for public exams which take place only two short school terms away. In order to ensure we are working as a team in supporting students through their vital senior year, I would like to invite you to a very important evening:

Monday 20th September: Supporting your Child Through their Senior Year

This will begin at 6 pm and last for around an hour and a half, however, depending on the uptake for this evening we may offer an additional session. If you would to attend the evening, please complete the Google form below **no later than 3pm on Wednesday 15th September**.

The evening will be held in the theatre where we will discuss some significant dates for your child as well as what we would be expecting them to be doing to prepare for their public exams, this will include a talk about revision sessions, key advice, revision techniques and how to support your child with their wellbeing during their Senior Year. We will also provide a 'How to Revise Guide' following the event with information from each subject explaining how best to support your child with their revision and the types of activities that can improve their grades.

Following this, we will serve wine and refreshments providing you with the opportunity to speak with Heads of Faculty if you would like any further information regarding particular subjects.

We hope this will be a very productive evening and I look forward to seeing you there.

Yours Faithfully,

Miss L Archer
