

CANSFIELD

ACHIEVING EXCELLENCE TOGETHER

Friday 21st January 2022

Dear parents and carers,

In light of the Government's recent announcement that we are moving out of all COVID related restrictions, we are now in a position to begin to plan for the Year 11 prom. This is a wonderful event that gives students an opportunity to celebrate their achievements over the last five years and to say goodbye to their peers and their teachers. For now, can I please ask that you put the following date in your diaries – Friday 17th June, Park Hall. Mr Swain and Miss Ferguson will be organising the event with student leaders and will be in touch to give more details in the near future. While I am hugely optimistic that this will go ahead as planned, I would add a word of warning. Despite our best efforts, we have been forced to cancel the prom for the last two years running due to the situation with the pandemic. It is possible that there may be further restrictions and the prom will be cancelled again. Hopefully the situation will become clearer in the forthcoming weeks and months, but for now I would absolutely advise against anyone spending anything on this prom until we are closer to the event. Over the last two years, parents have lost a significant sum of money – particularly as expensive prom dresses have gone unworn. If you do feel the need to purchase an outfit now, I would fully recommend buying an outfit that can be worn in another setting, just in case.

If you would like your child to attend, but have any financial concerns, please do not hesitate to contact me. No student should be denied access to this event because of the financial cost of either tickets, clothes or transport. I keep a pot of money aside for events such as this and if you would like support please do not hesitate to contact me.

We all continue to be delighted by the efforts of your children. Our Year 11, Class of 2022, continues to be a delight to teach. To an individual, they are hardworking, kind and great company and we are already dreading them leaving.

If you have any questions please do get in touch (g.baker@cansfield.wigan.sch.uk).

Best wishes,

Geoff Baker
