ACHIEVING EXCELLENCE TOGETHER

20 January 2022

Dear Parent or Carer

With the Government recently announcing that they intend for all GCSE examinations to go ahead as normal this Summer we are now 14 school weeks away from start of exam season. We are writing to you to share some important dates.

Attendance at after school revision sessions and Saturday sessions becomes more important than ever as we hurtle towards the next set of pre public examinations the week commencing the 28<sup>th</sup> February and then ultimately their final term at Cansfield. These are further teacher led sessions and complement your child's independent revision at home. In order to reward students who attend all sessions, we intend to do a prize draw for attendance at all relevant sessions every week.

By now students should have applied to college and be in the process of being interviewed for their chosen course. If your son/daughter has not yet applied they need to consider doing so very soon. If they are unsure about which course to apply for then they can arrange to see Mr Blagbrough ([m.blagbrough@cansfield.wigan.sch.uk](mailto:m.blagbrough@cansfield.wigan.sch.uk)), our Careers Adviser, to talk through their options. He is in school on a Wednesday, Thursday or Friday to talk through their options. Even if your son/daughter would prefer to get an apprenticeship it is sensible to have a back-up plan which is why we ask them to apply to college.

As well as the usual upcoming Parents' Evening on 10<sup>th</sup> February (Mr Forshaw will contact you soon regarding this) where you will have the opportunity to speak one-to-one with your child's class teachers about their progress and targets, we are also holding a virtual Parents' Revision Workshop for parents to attend. This evening will involve a talk from Dr Baker regarding the awarding bodies early release materials, faculty leads top tips for revision in each subject, revision timetable planning and mental health support. This will take place on **2<sup>nd</sup> February at 6 pm**. If you would to attend the evening, please complete the Google form below **no later than 3pm on Friday 28<sup>th</sup> January**.

Finally, we have included the provisional skeleton examination timetable as provided by each awarding body. This outlines each examination date, start time, length and awarding body.

As always, thank you very much for your continued support.
