

CANSFIELD

ACHIEVING EXCELLENCE TOGETHER

14th December 2023

Dear parents/carers,

Firstly, I would like to say what an honour and privilege it is becoming the substantive Head of Cansfield. I am very lucky to be able to lead this school through its next stage of our continuous improvement journey. Thank you for the lovely emails and messages of congratulations and well wishes.

As we reach the end of a very busy term, I wanted to update you with arrangements for the last week:

Wednesday 20th December:

Given the number of students going on the Trafford Centre trip, to facilitate arrangements for the day we have decided that **ALL** students can come in their own clothes. If students do not wish to do this, they can come in full school uniform as normal. Please ensure that your child attends school in appropriate clothing. This should be long trousers/jeans/leggings or tracksuit bottoms.

Last Day of term:

The last day of term is Friday 22nd December. This will be a festive jumper day. Please wear a festive or a brightly coloured jumper. Again, all students must wear long trousers/jeans/leggings or track suit bottoms. As in previous years, there will be an early finish at 12.30 pm after an early lunch and a short form period. The school bus will collect students at 12.30.

New Term:

The first day of the new term is an INSET day. Students return to school on Tuesday 9th January at normal time. Can I take this opportunity to remind you that students are not allowed any jewellery at all in school. This includes any piercings.

Pre-Loved Uniform:

Just a reminder that if you have any pre-loved uniform and would like to donate it to school, we would be very happy to receive it. We now have a substantial collection of pre-loved uniform that we have made available to parents who need it. Where we have not had appropriate items at hand, we have provided financial support for new items to be purchased. If you are struggling with the cost of uniform do not hesitate to contact me and thank you to all of you who have supported with this endeavour.

Home learning:

As part of our commitment to supporting students with home learning we have created a series of new knowledge organisers, which provide content for all subjects for the entire curriculum for each year group. These include a range of activities and content to supplement the learning that takes place in lessons and there are QR codes to further websites and videos to engage students further. Electronic copies of these knowledge organisers can be found on our school website along with KS3 and KS4 home learning guides which provide advice and support on the best ways to interact with the knowledge organisers, using the following link: <https://www.cansfield.wigan.sch.uk/teaching-and-learning/home-learning/>
