

CANSFIELD

ACHIEVING EXCELLENCE TOGETHER

16th January 2024

Dear Parent or Carer,

As I am sure you are aware we are 15 school weeks away from start of the GCSE exam season. We are writing to you to share some important dates.

Attendance at after school revision sessions and Saturday sessions becomes more important than ever as we hurtle towards the next set of pre-public examinations the week commencing the 5th February and then ultimately their final term at Cansfield. These are further teacher led sessions which complement your child's independent revision at home. In order to reward students who, attend all sessions, we intend to do a prize draw for attendance at all relevant sessions every week.

Easter Holiday Revision Sessions 2024

By now students should have applied to college and be in the process of being interviewed for their chosen course. If your son/daughter has not yet applied they need to consider doing so very soon. If they are unsure about which course to apply for then they can arrange to see Mr Blagbrough (m.blagbrough@cansfield.wigan.sch.uk), our Careers Adviser, to talk through their options. Even if your son/daughter would prefer to get an apprenticeship it is sensible to have a back-up plan which is why we ask them to apply to college.

A couple of other key dates for you include parents' evening on the **8th February** (Mr Forshaw will contact you soon regarding this) where you will have the opportunity to speak one-to-one with your child's class teachers about their progress and targets.

Public Examination Notices

Finally, we have included the examination timetable as provided by each awarding body. This outlines each examination date, start time, length and awarding body.

In 2019, the Government introduced a 'contingency day' in the event of national or local disruption to examinations as part of the awarding bodies' standard contingency planning for examinations. This means that if disruption occurred the examinations will be moved to said contingency day instead of the published date. The year's contingency days are 6th June and Thursday 13th June 2024 (afternoons only), and 26th June 2024 (all day). All students must be available for these dates.

As always, thank you very much for your continued support.

Lesley Archer
Deputy Headteacher
