ACHIEVING EXCELLENCE TOGETHER

October 2024

Careers Fair Reminder – Thursday 17th October 4pm – 7pm

Dear Parent or Carer

As your child enters their Key Stage 4 journey at Cansfield, they will start to consider their future pathways. To ensure our students make an informed decision, we are providing them with many opportunities to explore different career paths with educational providers, employers and apprenticeships.

On **Thursday 17th October 4pm – 7pm** we will be hosting a Careers Fair at school. This is an event where we invite local providers to school to allow for an opportunity for students and their parents/carers to attend and explore the different pathways available and discuss any questions they may have.

Local colleges are now hosting their own open evenings to allow for future potential students to visit each college so they are confident in the choices they make. I have enclosed a list of the dates for each college open evening if you wish to begin to explore possible routes at this early stage of their journey.

Our Careers Adviser, Mr Blagbrough, will also be attending the careers fair if you would like further support or alternatively please email him at m.blagbrough@cansfield.wigan.sch.uk and he will contact you.

We would highly recommend you attend this event with your child to begin to map out their career paths for their life after school. You can come and go as you wish during the evening to talk to as many providers as possible. If you wish to attend the evening please complete the reply slip below and return to your child's form tutor.

If I can help with anything careers related over the year, please don't hesitate to contact me:

Yours sincerely,

Mr C Mugan
