

CANSFIELD

ACHIEVING EXCELLENCE TOGETHER

October 2024

Careers Fair Thursday 17th October 4pm – 7pm

Dear Parents or Carers

As your child enters Year 9 Canfield, they will begin to consider which options they will take as they move into Key Stage 4 to help prepare them for their future journey. To ensure our students make an informed decision that is best for them, we provide many opportunities to explore different career paths with educational providers, employers and apprenticeships.

On **Thursday 17th October 4pm – 7pm** we will be hosting a Careers Fair at school. This is an event where we invite local providers to school to allow for an opportunity for students and their parents or carers to attend and explore the different pathways available and discuss any questions they may have.

Our Careers Adviser, Mr Blagbrough, will also be attending the careers fair if you would like further support or alternatively please email him at m.blagbrough@cansfield.wigan.sch.uk and he will contact you.

We would highly recommend you attend this event with your child to begin to map out their career paths for their life after school. You can come and go as you wish during the evening to talk to as many providers as possible. If you wish to attend the evening please complete the reply slip to inform us of your attendance.

If I can help with anything careers related over the year, please don't hesitate to contact me:
c.mugan@cansfield.wigan.sch.uk

Yours sincerely,

Mr C Mugan
Director of Enrichment
