

25<sup>th</sup> June 2025

Dear Parents and Carers

Last week, we had the pleasure of welcoming our Year 10 pupils into Year 11 – a key moment as they begin their final year of secondary school. We would like to start by congratulating all of our students on successfully completing their first set of PPEs (mock exams). This is an important milestone, and we are incredibly proud of the maturity, dedication, and positive attitude they demonstrated throughout the process. Their behaviour and commitment to learning have been outstanding, and it has been a joy to watch them grow into responsible young people, ready to embrace the challenges and opportunities of Year 11.

Following feedback from our students, we are pleased to announce that all Year 11 students have now received their black ties in recognition of this important transition. Wearing the black tie is a proud symbol of their status as senior students and role models within our school community.

This week, students will also be moving into their new Year 11 form groups. These groups have been carefully designed to ensure they receive targeted English and Maths intervention, helping them to achieve their full potential.

Looking ahead to September, we will be inviting all Year 11 parents and carers to a Parental Engagement Evening. While the exact date will be confirmed closer to the time, this important event will provide valuable information on revision strategies, key upcoming dates, and ways you can support your child during this critical year.

We are also pleased to announce that the Year 11 Prom has been booked for Friday 26<sup>th</sup> June 2026. We look forward to celebrating this special occasion with our students—further details will be shared in the new academic year.

Thank you, as always, for your continued support. We look forward to working with you and your child as we begin this important final stage of their school journey.
