

BTEC Tech Award Performing Arts

Year 10

Skills Development – Dance, drama and musical theatre

Skills Development - Workshops and key vocabulary

Preparation for Component 1

Component 1 Exploring the Performing Arts

Year 11

Component 2 Developing Skills and Techniques

Component 1 = Explore professional works – Analyse performances, styles, genres, themes and intentions
= Understand practitioner roles – investigate roles of performers, designers, directors choreographers
= Practical exploration – take part in workshops or rehearsals experimenting with ideas

Component 2 = Learn and practise techniques and develop skills (acting, dance or musical theatre)
= Take part in workshops or rehearsals to show regular improvement and progress
= Apply skills in a performance

Component 3 Responding to a brief

Component 3 = Understand the brief set by Pearson – work in groups to create a performance concept – decide on ideas of style, characters, movement and structure. – Rehearse and refine – Perform the final piece and evaluate

KS5
