

May 2026

Dear Parents and Carers,

We are delighted with the commitment and hard work Year 10 pupils have shown since the start of the academic year. Their focus and determination have been excellent, and we want to ensure they continue to feel supported as they approach the next important stage.

The Year 10 Pre-Public Examinations (PPEs) will begin on Tuesday, 16th June. These exams are a crucial part of your child's preparation for their GCSEs, and it is important that pupils are actively revising in the weeks leading up to them.

To assist with this, we have attached a copy of the PPE Revision Support Booklet, which all pupils will receive this week. The booklet includes helpful revision strategies and the provisional exam timetable for your reference.

Please ensure that your child:

- Arrives at school promptly and is ready to begin their exams at 8:30am each day.
- Brings the necessary equipment and is fully prepared for each assessment.

If your child has been awarded 25% extra time as part of their access arrangements, it is very important that they use this during the exam season. If extra time is not consistently used, there is a risk that this support could be withdrawn in the future.

As a school, we are required to provide clear evidence that access arrangements are both necessary and used appropriately. Please could you remind your child of the importance of using their extra time in all exams.

If you have any questions about revising for a specific subject, please do not hesitate to contact the relevant Head of Subject via email. For any general enquiries the PPEs, please email me at s.dobinson@cansfield.wigan.sch.uk.

Thank you once again for your ongoing support.

Yours Faithfully,

Mr S. Dobinson
Assistant Headteacher

Headteacher: [Mrs N Daniels](#)
Cansfield, Old Road, Ashton-in-Makerfield, Wigan. WN4 9TP

Faculty	Subjects	Head of Subject	Email Address
