

July 2026

Dear Parents and Carers,

We recently had the pleasure of welcoming our Year 10 pupils into Year 11, a key milestone as they begin their final year of secondary school. We would like to start by congratulating all of our students on successfully completing their first set of PPEs (mock examinations). This is an important achievement, and we are incredibly proud of the maturity, dedication and positive attitude they demonstrated throughout the process. Their behaviour and commitment to learning have been outstanding, and it has been a pleasure to watch them grow into responsible young people, ready to embrace the challenges and opportunities of Year 11.

PPE results will be issued to students during form time on Tuesday 14<sup>th</sup> July. During the same session, students will also receive their black ties, recognising their transition into Year 11 and their status as senior students within our school community. It is therefore important that students arrive at school on time to ensure they do not miss this significant event.

Looking ahead to September, we will be inviting all Year 11 parents and carers to a Parental Engagement Evening. While the exact date will be confirmed closer to the time, this important event will provide valuable information on revision strategies, key upcoming dates and ways you can support your child during this critical year.

Students will also be moving into their new Year 11 form groups. These groups have been carefully designed to provide targeted English and Maths intervention, helping students to address areas for development and maximise their potential.

We are also pleased to announce that the Year 11 Prom has been provisionally booked for Friday 25<sup>th</sup> June 2027. We look forward to celebrating this special occasion with our students, and further details will be shared during the new academic year.

Thank you, as always, for your continued support. We look forward to working in partnership with you and your child as they begin this important final stage of their secondary school journey.

If you have any questions or require any further assistance, please do not hesitate to contact me at [m.rothwell@cansfield.wigan.sch.uk](mailto:m.rothwell@cansfield.wigan.sch.uk)

Yours Sincerely,

Mrs Michele Rothwell
